Impostare una formula di moltiplicazione del numero in posizione 3 con il numero in posizione 5

Hello! My name is Carol and I live in London. I get up at 7 o'clock. I have breakfast, I get dressed, I brush my teeth and I go to school. I like going to school because I have many friends. I start my classes at 9 o'clock and I finish at 2 o'clock. I have lunch at half past 2 and I do my homework. At 5 o'clock, I go to Spanish classes and I finish at 7 o'clock. I get home at half past 7 and I have a shower. At half past 8, I have dinner and I watch TV. I go to bed at half past 9.
